

Surfa® 1 Surface Mount Channel

shown with closed end cap

At only a third of an inch high, the Surfa 1 is ideal for general low-profile surface mounting of LED tape light. Surfa 1 corner connectors can be used to link channel section seamlessly around corners, while straight connectors can join straight sections of channel for longer runs.

- Thermally-balanced design for maximum cooling
- Channel covers protect LED tape light
- Diffuser covers provide smooth light diffusion with no hotspots
- Full range of accessories for a great-looking installation
- Complete kits available to create a finished fixture
