

Surfa® 2X Surface Mount Channel

shown with closed end cap

open end cap

straight connector

corner connector

mounting clip & screw

Surfa 2X is a larger version of Surfa 2, and enables mounting of LED tape light so that it shines at a 45 angle. Surfa 2X also provides a hotspot-free, even line of lighting. Corner connectors are used to link channels around corners; straight connectors can join sections for long runs.

- Thermally-balanced design for maximum cooling
- Channel covers protect LED tape light
- Diffuser covers provide smooth light diffusion with no hotspots
- Full range of accessories for a great-looking installation
- Complete kits available to create a finished fixture
