

Surfa® 6 Surface Mount Channel

shown with closed end cap

open plastic end cap

mounting clip & screw

The Surfa 6 is a wide but very low-profile channel to accommodate any Alloy LED tape light for any size installation. This model is ideal for areas that call for a discreet light fixture.

- Thermally-balanced design for maximum cooling
- Channel covers protect LED tape light
- Diffuser covers provide smooth light diffusion with no hotspots
- Full range of accessories for a great-looking installation
- Complete kits available to create a finished fixture
