

Duro™ 1 In-Ground Channel

shown with closed end cap

open end cap

Duro models are designed for in-ground locations with foot and automobile traffic. With thick, durable sides, base and diffuser cover, the Duro 1 is the ultimate solution for high-quality LED lighting in harsh dry and wet conditions. When used with any of Alloy LED's Wet Location LED Tape Lights, the Duro 1 is a fully waterproof and weatherproof lighting solution.

- Thermally-balanced design for maximum cooling
- Channel covers protect LED tape light
- Diffuser covers provide smooth light diffusion with no hotspots
- Full range of accessories for a great-looking installation
- Complete kits available to create a finished fixture
