

Surfa® 3 Surface Mount Channel

shown with closed end cap

open end cap

straight connector

corner connector

mounting clip & screw

At only a quarter of an inch high, the Surfa 1 is Alloy LED's lowest-profile channel, perfect for out-of-sight surface mounting of LED tape light. Surfa 3 corner connectors can be used to link channel section seamlessly around corners, while Surfa 3 straight connectors can join straight sections of channel for longer runs.

- Thermally-balanced design for maximum cooling
- Channel covers protect LED tape light
- Diffuser covers provide smooth light diffusion with no hotspots
- Full range of accessories for a great-looking installation
- Complete kits available to create a finished fixture
