

HÄFELE

THE MULTI-DIMENSIONAL MIRROR.

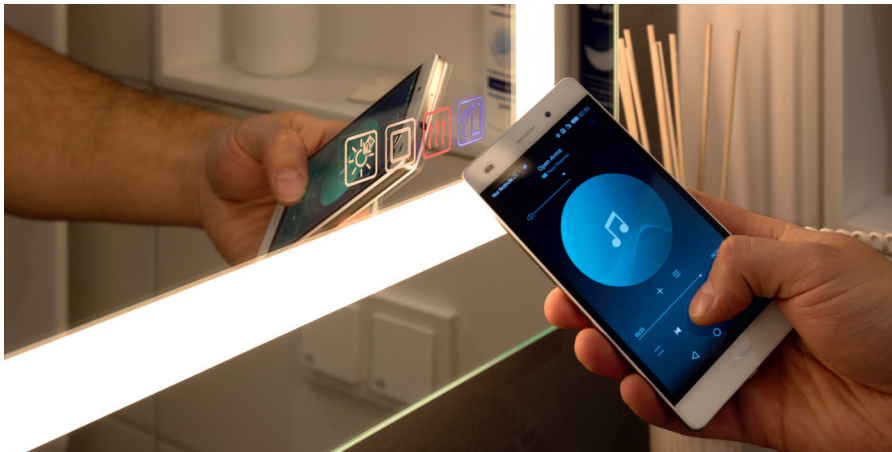

LIGHT, DEFOGGER AND SOUND INCLUDED.

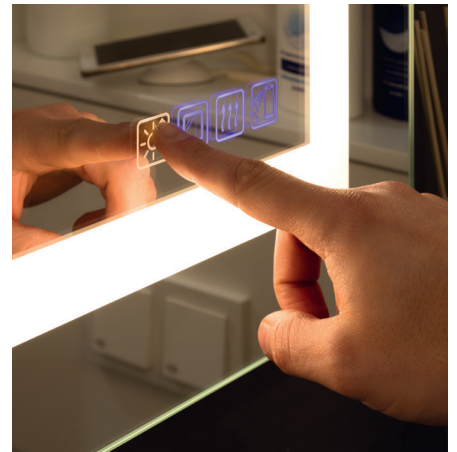

COMFORT PLUS

See your bathroom in a new light.

The multi-dimensional mirror transforms every bathroom into a spa quickly and easily. The product comes fully assembled and unites the functions of make-up light, room lighting, mood lighting, mirror defogger and sound system in an elegant design. The front light – in cool and warm white – with memory function offers excellent colour trueness that exceeds the market colour rendering indexes making it very suitable as a make-up light. All other functions are controlled via touch keys that are incorporated into the mirror. The product is certified and offers splash protection (IP44). The mirror is available in 3 sizes as of September 2017: 900 x 600 mm, 900 x 900 mm and 1200 x 900 mm.

The sound system is an integrated sound transducer, which is controlled via smartphone or tablet.

Mirror functions are controlled via touch keys.

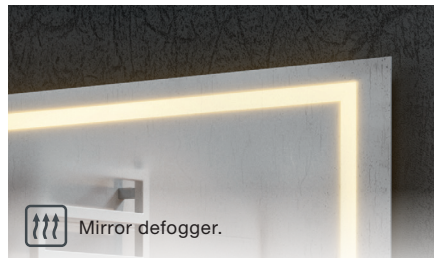

Front light with memory function in cool white...

... and warm white.

Indirect lighting option offers mood lighting.

Mirror defogger with stand by function after 45 minutes.

ADVANTAGES

- > Easy installation of the fully assembled mirror unit.
- > Combination of room and high-quality make up lighting, mood lighting, mirror defogger and sound system in one product.
- > Reduces bathroom lighting.
- > Integrated touch keys make this unit easy to clean.
